Creating and Developing Assessments In Moodle

TLC has organized a one-day workshop on 8th May 2020 entitled "Creating and Developing Assessments in Moodle". The workshop was conducted by Mr. Rahmat Bin Abdul Wahid from the College of Engineering. There were 52 participants attending the short course.

Among the objectives of the workshop were to create and develop assessments in Moodle LMS. He showed a step-by-step guide to creating [quiz and assignment](#). Mr. Rahmat also introduced [Equatelo](#) as a Chrome extension to the participants to easily create mathematical equations, formulas and quizzes.

The recorded workshop can be accessed at [Stream](#).

The slides used during the course can be obtained from this [Sharepoint](#). More resources can be viewed from Mr. Rahmat's [Padlet](#).

Learner Empowerment During ERT

LEARNER EMPOWERMENT DURING ERT

Friday, 1st May 2020 | 10.00AM

PROF. DR ROSNA AWANG-HASHIM
Head of Cluster (Edu & Human Development)
Academy of Professors Malaysia
Universiti Utara Malaysia

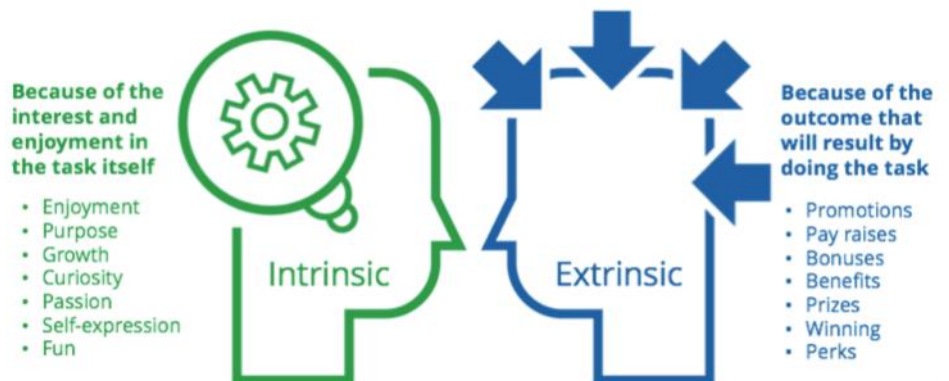

A webinar entitled “Learner Empowerment During ERT” was conducted by Prof. Dr. Rosna Awang-Hashim (UUM) and moderated by Prof. Dr. Abdul Karim Alias(USM) on 1st May 2020 via YouTube Live.

Prof. Rosna elaborated on Emergency Remote Teaching (ERT), a temporary shift of instructional delivery to an alternate delivery mode due to crisis circumstances as this mode may not bode well with some learners. The webinar focused on the importance of learner empowerment, especially during ERT and how to empower learners to self-direct their learning themselves.

The recorded webinar can be accessed at [Learning Empowerment During ERT](#). The slides can be downloaded from the [YouTube link](#).
